

Policy Workshop

This workshop will build upon the pre-conference policy workshop offered by NSHEN in 2010 by offering the opportunity for further, in-depth engagement with ethical aspects of policy review and development. The majority of the time will be devoted to hands-on activities and participant-directed discussion. A survey will be circulated to participants in order to fine-tune the activities for the workshop.

The workshop is scheduled for April 20, 2011 from 8:00am - 4:00pm. Morning refreshments and lunch will be provided.
