Ethics Program

PANDEMIC ETHICS

Date: Friday, October 9, 2009

Time: 8:00am - 3:15pm

Fountain Learning Commons
Acadia University, Wolfville, NS

Workshop Objectives

- This workshop will provide opportunities:
- (1) to explore how ethical principles guide decision-making in a pandemic;
 - (2) to discuss the ethical considerations in fair resource allocation and human resource decisions during a pandemic;
 - (3) to provide an opportunity to work through a pandemic case study with input from ethical, legal, public health and critical care perspectives.
