

We are pleased to invite all health care providers with an interest in learning more about ethics to participate in our

**3<sup>rd</sup> Annual Ethics Education Day!!**

**Thursday June 9<sup>th</sup>, 2011**

**8:30 am – 3:30 pm**

**Holiday Inn, 437 Prince St., Truro**

**Program Schedule:**

**Thursday June 9<sup>th</sup>, 2011**

8:30 – 9:00 Registration

9:00 – 9:15 Introductions and Overview of the day

**Morning session (9:00 – 11:45)**

**Ethical considerations surrounding Hope in Health Care**

- A time to consider hope in the context of chronic disease and non-life limiting disability versus hope at end of life.

**Speaker - Dr. Christy Simpson**

Christy is an Associate Professor and current Acting Head with the Dalhousie University Department of Bioethics. She is the Ethics Collaborations Coordinator for the Department of Collaborations with Capital Health, the IWK Health Centre, and NSHEN. Her research interests include the role of hope in health care, rural bioethics and organizational ethics.

**Afternoon Session (12:30 – 3:00):**

**Ethical Decision Making for Health Care Workers 101**

- A time to get back to the basics of ethical decision making. You will have the opportunity to learn about CEHHA's current framework for ethical decisions, work through case studies, and open discussion.

**Speaker/facilitator - Dr. Marika Warren**

Marika is an Assistant Professor with the Dalhousie University Department of Bioethics. Her primary responsibility is to provide support to NSHEN as the Health Care Ethicist. Her research focuses on social justice in the context of health care, with a current emphasis on the challenges posed to bioethics by disability perspectives.

3:30 Wrap up and evaluations
